FROM THE
GOLF
SUPERINTENDENT

I hope everyone is enjoying the winter months, just think the cold times are almost over! By mid-January you can set your countdown calendar at 8-10 weeks for golf type weather! Just a reminder, the winter season is upon us and we have closed all TEES and GREENS until spring. I am sure there will be many days through out the winter months that it will be nice and you will want to play. We have temporary tee placements at the beginning of each fairway area and have place temporary winter pin placements on each hole. Please keep in mind if the grass is not covered but it is frozen or has visual frost on it we ask for you not to be on. When you step or drive on this it will injure the plant cells and cause problems to the plant – most times resulting in death.

A few winter rules for winter play:

- o Driving range is open for multiple hitting of balls – you will need your own golf balls, please use the front part of driving range tee and keep your divots as close as possible.
- o If playing please do not hit from one spot more than once – the grass will not respond and heal this time of year.
- o No practice swings are necessary this time of year – it is winter golf and your scores are not registered. If you feel you need practice swings to warm up, try stretching exercises.

Winter Sports – Sled Riding and Cross Country Skiing

- o If you are not sure were you can do these please stop in my office or call 936-3321.
- o We ask that you stay OFF ALL GREENS and TEES.
- o Please stay away from bunkers.
- o Only cross Fairways were needed – try to go to ends in front of tees or back side of greens if possible.

Stay Warm,
Dennis Fitzwater – GCSA

FROM THE CORNING LEADER...

The Corning Country Club recently announced the results of the 2011 Rally for a Cure golf tournament. The event raised \$8,500 for the Susan G. Komen Fund.

Corning Country Club General Manager Michael Sweet said, “I’m proud of our members who worked together to make this year’s Rally for a Cure the most successful ever. The fact that a few hundred members can raise \$8,500 shows their passion for this benefit. We have all been touched by breast cancer directly or indirectly and to be able to donate \$8,500 to Susan G. Komen Fund is very satisfying.”

WINTER JUNIOR GOLF ACADEMY
