## **Welcome Jean Stone**

I'm very pleased to announce the hiring of Jean Stone, Executive Chef. Jean was the first ever female Executive Chef at The Palm [www.thepalm.com](http://www.thepalm.com) restaurant, a high end steak house, located in Denver, NYC and across the country. Most recently Jean was at the University of Buffalo feeding 30,000 students daily. Jean will make her debut on Valentine's Day, February 14<sup>th</sup> as Corning Country Club will offer a very special menu for the evening. Please join me in welcoming Jean to the club!

## **Winter Shutdown Projects on Schedule**

Shutdown provides us with an opportunity to schedule major projects in the club house. This year we have been busy painting Ambassador 1, 2, &3, the Steuben Room, and touching up throughout the building. In addition to the painting, our wine cuvees and the new LED TVs are being installed in the Keating Grill. Finally, the Chihuly is receiving its annual cleaning. We are proud of our club house and we can't wait to show it off to our members!

## **Membership Appreciation Big Night!**

**March 3<sup>rd</sup>** we will be hosting our annual Membership Appreciation night. This year we have three members that we will be inducting into the Legend's club: John & Michelle Tunney, Kent & Linda Woloson, Jay & Emily Barker. In addition to the Legends inductions – we will be previewing our annual members' movie, and unveiling our 2012 Membership Incentive program which promises to be the most aggressive membership recruiting program that we have ever held. I promise it will be a win / win – an incentive for new members and an equal incentive for our existing members. We will unveil the program and give every member the tools to recruit new members – please make sure you are part of this exciting evening. Details for the evening will follow.

## **Strong Wireless now available**

We have recently upgraded our wireless network and now have a strong signal on both floors including the patio and the second level deck. For network information – see any staff member or stop by the front desk for sign on details.

## **Junior Memberships on sale now!**

Our junior memberships make great Christmas gifts – the gift that keeps on giving. I have attached our black Friday ad – if you know anyone that might be interested please share it with them. The best way to grow our membership base is for our current members to refer other members.
