

Evening with the Seadogs

Corning Country Club

Dear Country Club Family Members,

We are throwing a pirate night down at the pool. We will be serving dinner as well as fun. Kids are encouraged to dress up in homemade pirate, mermaid or any other Caribbean/swashbuckling costumes. There will also be a Treasure Hunt, which kids will be separated into teams/pirate ship names in search for the golden golf ball! Kids who participate in the hunt will all receive treasures along the course. Evening with the Seadogs will be held July 9th beginning with dinner at 5:00pm. Please call ahead to reserve your spot on the boat and join us for an adventurous night!
