**Member of the Month**

The staff has recognized Gordon and Ray for their commitment and dedication to the club. Please congratulate them when you see them.

Dear Member:

Music provides the soul and spirit that enriches many of our wonderful programs – programs where members like you share in the joyful sounds of music throughout the year.

An exciting new program called “Buy-A-Key” provides us with an outstanding opportunity to enhance our club with the addition of a quality musical instrument from Yamaha, the leader in acoustic and digital pianos.

You can be an important part of bringing this music to life. For the modest amount of \$180 you can “buy” one of the 88 keys on our new piano. When all 88 keys are sold, we will have raised enough funds to add the piano to the Corning Country Club. Everyone who “buys” a key will have their name posted on a representing key on our Buy-A-Key poster in the lobby. As more are adopted – you’ll be able to see how close we are to achieving our dream of a new piano for the club. We will display the piano in the main lobby – surrounded by small lounge chairs and tables. This Yamaha Polished Ebony 4’11” grand piano will come equipped with a DGC1 CD drive and PianoSmart technology – to provide listening pleasure - daily.

Donors who wish to buy a block of 5 keys will be awarded a special “gold key” for their contribution. All donors will be invited to a private reception to welcome the new piano – taste Cakebread wines and indulge in fine cheeses.

Your contribution will provide the gift of music for many years to come.

Sincerely,

Corning Country Club

**Update – we have already sold 30 keys**
