FROM THE MANAGER

Members,

I want to thank all 200 members that attended our annual Membership Appreciation dinner, Saturday, February 20th. If you did not attend the dinner and would like a personal tour of all the repairs that were made during shut-down, or would like a recap of the presentations, please don't hesitate to contact me at sweetmh@corning.com or call the club to set up an appointment.

If you have had the opportunity to check out the new and improved fitness room, I hope you will agree with me that finally, a fitness room that has the necessary equipment for a great work out. As a reminder – all members now have access to the fitness room. Shortly, we will announce dates, when our Fitness Coordinator, Lou Fiorillo, will host an open “fitness room”, to showcase the new equipment and illustrate exercises to develop a worthy work out routine – using our equipment.

Finally, I want to thank all of our staff for their patience during shut-down. We are fortunate to have some of the most talented staff in the industry!

A Message from the Golf Committee:

Participation - We define participation as \Partic`i*pa'tion; the act of participating; the state of being related to a larger whole; the process during which individuals, groups and organizations are consulted about or have the opportunity to become actively involved in a project or program of activity; An ownership interest or profit-sharing right.

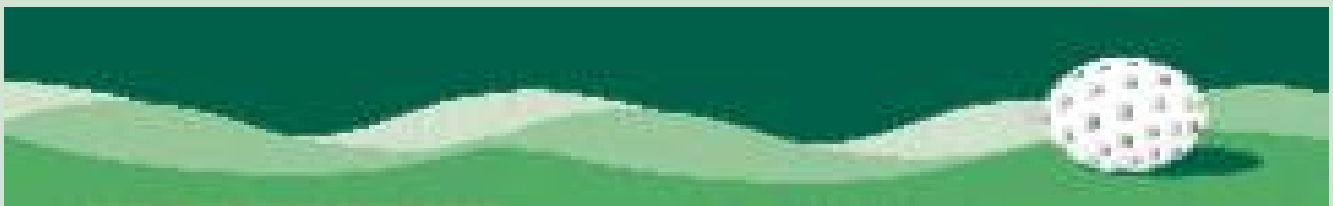

In 2010 we have organized and created a comprehensive golf schedule of Club Member events. These events are structured to engage every golf member at CCC Young, Old, Male, Female scratch player or beginner. The only way you can find out how much fun golf at CCC can be is to PARTICIPATE.

Being a participant in our tournaments, leagues and special events is an opportunity to be a part of something bigger and better, as this golf season approaches we encourage our membership to support these events and become a part the CCC Golf community. At the end of the day the score you post is only part of the experience you will have as a participant. Golf events at CCC are not scheduled to interrupt your weekly games; they are there to enrich your membership experience.

Your participation in OUR Golf events shows that you support the efforts of our Professional Golf and Maintenance Staffs. They take great pride in promoting the game of Golf, and providing us with outstanding course conditioning. The social activities which generally accompany each of these events is an opportunity to meet new people and become engaged in making CCC a better Club while enjoying our Golf Course, the best place to play golf in the Southern Tier of NY.

We look forward to seeing you, and your families as participants in our 2010 Golf events.

FROM THE COURSE

Can you smell the Spring in the air? Don't get too excited Mother Nature can still hit us hard with snow and ice. It's nice to see the longer day light hours – did you remember to spring your time forward? (March 14th) Springing time forward – ouch this doesn't seem possible; this means we are getting closer to growing grass and preparing the golf course for another challenging year. Yes “challenging” will be the key word to remember this year. I once read a quote about the word Challenge it went like this, obstacles are the things you see when you take your eyes off your goals. Our mission in our department is, “to strive to provide quality conditions on a daily basis. The team will work together with unity and dignity to provide our members and guests the utmost satisfaction.” As a team we will concentrate on our goals and try to avoid the obstacles and make this year's challenge successful to the best of our abilities.

Please feel free to contact me at anytime this year with your concerns or questions regarding the golf course and grounds. I will gladly talk to you on where our agronomic outlook is focused. Thank you for your support,

Dennis Fitzwater
